

Leisure & Amenities Committee

Benches

1 INTRODUCTION

- 1.1 The Parish office has received two requests for benches both of which could be funded by the Westlea Clean and Green funds.
- Bench for visitors to Westlea park pond area (this would require hand grass cutting)
 - Bench for residents on footpath from Langstone Way to The Chesters
- 1.2 Benches can be problematic for attracting groups of young people and perceived anti social behaviour.

2 FINANCIAL IMPLICATIONS

- 2.1 The Parish Council's Clean and Green volunteer reward fund could cover the costs for these requests.

3. RECOMMENDATIONS

- 3.1 That this Committee notes the information in this report and highlights any concerns before installation is agreed.

Paula Harrison, Parish Manager
